Dear Councilmember Fukunaga:

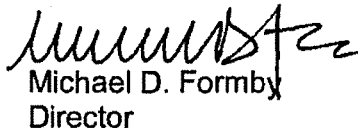

SUBJECT: Proposed Bill 28 (2013), CD2

The Department of Transportation Services is in receipt of your letter dated July 2, 2013 and provides the following response.

Via our testimony filed on June 25, 2013, we estimated the cost of installing no smoking signs at 4,000 bus stops, including production and labor costs, at approximately \$100,000.00. We would seek to limit implementation costs through the use of a sticker which could be applied over existing signage (as depicted on the attachments hereto).

Funding would be through the Oahu Transit Services, Inc. operational and would have to come from cost savings identified in current fiscal year operations. A reasonable implementation schedule would be six (6) months.

Very truly yours,

  
Michael D. Formby  
Director
